Excellent family friendly resort!

We had such a wonderful family with vacation with our 8 and 6 year old sons! **Tons of water slides and pool!** I highly recommend the Diamond Club. Our butlers Andres and Dulce made our experience even more enjoyable and stress free!

Exceptional Service at Royalton Chic Cancun!

Our stay at Royalton CHIC Cancun from June 27 through July 4 was absolutely wonderful and exceeded our expectations for our first trip to Cancun. The resort itself is stunning, situated on a **gorgeous stretch of powdery white sand and crystal clear turquoise water**. The entire property was impeccably clean and well maintained. Aside from the occasionally slow elevators, everything was in excellent condition. **The pools were incredible**, and we especially loved the comfortable beach loungers and umbrellas that made it easy to spend entire days relaxing by the ocean.

Family holiday at Planet Hollywood 🌴

We had a brilliant time at Planet Hollywood. The rooms were super spacious and had everything we needed. **Our kids loved the pools, especially the lazy river**, and the kids clubs were great. The restaurants were delicious, I think Indian and Teppanyaki were our favourites. The entertainment team were excellent, and worked really hard to keep us all having a brilliant time. Karla and Laila especially were super friendly and couldn't have made us feel more welcome. Thanks team PH!

Amazing trip in Cancun!

Amazing experience! Great service and very friendly staff. **So many cool activities especially the flow rider** with Joaquin and Xavier! They are the best! No seaweed in the beach and the entertainment team had activities for us all day long! There's always something to do here.

Week of pool side relaxation

Our stay at the Royalton was absolutely incredible. Our butlers, Cesar and Nassar, did a fantastic job taking care of us all week. **The swim-out luxury junior suite was amazing** and allowed us to have **our own personal poolside** for a week of quiet relaxation.

Great family getaway

We had a wonderful time with our 6 year old daughter at the Royalton Splash Riviera. **The resort has so much to offer families - so many pools, a splash park, waterslides** and the indoor activities (bowling, trampoline park and laser tag), and fantastic restaurant options. Every night there were shows and events offered at no extra charge, and they were a lot of fun.
